

PARTNER-PRIVILEGES

Because you earned it!

Digitek Computer Products would like to introduce Partner Privileges. Partner Privileges is a customer loyalty program designed to reward you, simply because you earned it! Not only will Digitek continue to provide the best in service and quality, but Digitek will now reward your purchases. Sign up today and reap the benefits of partnering with Digitek Computer Products.

The process is simple; sign up at www.digitek.com/partnerprivileges.html, view and purchase products that earn rewards, submit claims, and we will send you a Digitek Visa Debit card with funds pre-loaded. Once your first monthly claim has been approved you will receive your debit card within 7-10 days. After that claim, funds will be reloaded to your Digitek Visa Debit card. Your Digitek Visa will be accepted anywhere you see the Visa logo and access cash from a network of ATMs.
